An aerial photograph of a golf course, showing rolling green fairways and several sand traps. The lighting is bright, creating a vibrant green color palette. A large, semi-transparent green circular graphic is overlaid on the right side of the image.

YOUR INSPIRATION

Residencias Grand Coral By Lorena Ochoa.

Your inspiration finds its home right in the center of the Golf Course. Let the lush green forest refresh your eyes and open your senses to the contemporary style of this incredible site that satisfies even the most sophisticated tastes.

Lorena Ochoa

Lorena Ochoa is considered the best Mexican golfer of all times and also the best female golfer in the world, claiming the title for 3 consecutive years, (1997-2000) and dominating College Golf Category in The US since then.

Lorena became the second Mexican in history to get her LPGA card. During her youthful career Lorena won 22 state championships in Guadalajara and 44 national championships. Winner of 27 LPGA Tours, 3 Futures Tours and 2 Majors.

Master Developer

Grupo Grand Coral along with Lorena Ochoa are proud to present:

Residencias Grand Coral by Lorena Ochoa.

These residences are located in the heart of Grand Coral Riviera Maya on the exuberant landscape of the Yucatan Peninsula in Mexico and next to the natural wonder of the Caribbean Sea's magnificent Coral Reefs.

The project is characterized by an innovative design and contemporary architecture that highlights the streamlined facades, combining with natural green areas and lakes, complementing the uniqueness of the atmosphere with an infinity pool and pool bar.

The property showcases spectacular views to the 11th and 12th fairways of the 18 hole Golf Course and surrounding natural beauty.
